

Recent events I have (co-)organized at Cardiff and elsewhere:

2013

16 April 2013

LSW Frontiers Distinguished Lecture

Sir Vaughan Jones FRS (Vanderbilt)

12th - 13th April 2013

WIMCS Operator Algebras Workshop

Location: Swansea University, UK

Organizer : David Evans

2012

LMS Regional Meeting and Workshop: Quantum Probabilistic Symmetries

Aberystwyth University

Scientific Advisory Committee [David Evans](#) (Cardiff), [Martin Lindsay](#) (Lancaster), [Gilles Pisier](#) (Paris and Texas A&M) and [Dan Voiculescu](#) (Berkeley)

18 - 22 - July 2012

XXth Oporto Meeting on Geometry, Topology and Physics

Noncommutative Geometry and Conformal Field Theory,

Oporto University, Portugal

Organized by C Herdeiro (CFP and Univ. of Aveiro), D. E. Evans (Cardiff) - Chairman, J.N. Tavares (CMUP and Univ. of Porto), J. Mourao (CAMGSD and IST Instituto Superior Tecnico, Lisbon), M. Mackaay (CAMGSD and Univ. of the Algarvel), M. Costa (CFP and Univ. of Porto), P. Pinto (CAMGSD and IST), R. Picken (CAMGSD and IST)

18 April 2012

LSW Frontiers Distinguished Lecture

Isaac Newton Institute 20th Anniversary Lecture

Alain Connes (College de France, IHES and Vanderbilt). [Click here for more information.](#)

17 April 2012

LSW Frontiers Distinguished Lecture

Lyn Evans (CERN). [Click here for more information.](#)

16 - 20 April 2012

INI-WIMCS Meeting on Noncommutative Geometry

2011

1 July 2011

WIMCS Mathematical Physics Colloquium

Speakers: Susanne Danz (Oxford), Terry Gannon (Edmonton), Grigory Garkusha (Swansea)

9 - 10 May 2011

EU-NCG WIMCS workshop on Higher Gauge Theory, TQFT's and Categorification.

Speakers include: Aristide Baratin (Orsay, Paris), Benjamin Bahr (Cambridge), Alexander Kahle (Göttingen), Jeffrey Morton (Lisbon), Urs Schreiber (Utrecht), Jamie Vicary (Oxford), Konrad Waldorf (Regensburg), Christoph Wockel (Hamburg)

2-3 May 2011

WIMCS workshop on Representations of Braid and Symmetric Groups - New Approaches

Aberystwyth University

Organized by David Evans (Cardiff), Rolf Gohm (Aberystwyth) and Claus Köstler (Aberystwyth)

25 - 30 April 2011

EU-NCG 4th Annual Meeting

Simion Stoilow Institute of Mathematics of the Romanian Academy (IMAR)

Bucharest, Romania

Organized by D.E. Evans (Cardiff), R. Nest (Copenhagen), R Purice (IMAR), S Stratila (IMAR)

20 - 21 April 2011

EU-NCG WIMCS workshop on Quantum Field Theory

Speakers: Henning Bostelmann (York), Romeo Brunetti (Trento), Detlev Buchholz (Göttingen), Christian Jäkel (Cardiff), Gandalf Lechner (Vienna), Florian Robl (Cardiff)

17 January 2011

LSW Frontiers Distinguished Lecture

Speaker: Sir Michael Atiyah (Edinburgh)

2010

28 June 2010

LSW Frontiers Distinguished Lecture

Speaker: Dan-Virgil Voiculescu (Berkeley)

28 June - 2 July 2010

EU-NCG 3rd Annual Meeting

Speakers include: Iakovos Androulidakis (Göttingen), Dorothea Bahns (Göttingen), Moulay-Tahar Benameur (Metz), Sebastiano Carpi (Rome), Kenny De Commer (Rome), Bergfinnur Durhuus (Copenhagen), Robin Hillier (Rome), Stefan Hollands (Cardiff), Tommaso Isola (Rome), Yasuyuki Kawahigashi (Tokyo), Amin Malik (Oslo), Jouko Mickelsson (Helsinki), Denjoe O'Connor (DIAS), Thomas Schucker (Provence), Wojciech Szymanski (Odense), Otgonbayar Uuye (Copenhagen), André Verbeure (K.U. Leuven), Dan Voiculescu (Berkeley), Mihaly Weiner (Rome), Jakob Yngvason (ESI, Vienna), Laszlo Zsido (Rome).

21-25 June 2010

LMS Regional Meeting and Workshop on Operator Algebras and Physics

Principal Speaker: Constantin Teleman (Berkeley) who is giving a series of talks on Two Dimensional Topological Quantum Field Theories and Gauge Theories. The first talk by Constantin Teleman will be in the LMS regional meeting on the first afternoon, Monday 21 June which is embedded in the five-day workshop. The other speaker in the regional meeting on the Monday afternoon will be Werner Nahm (Dublin). Speakers include Terry Gannon (Alberta), Johannes Kellendonk (Lyon), Michael Muger (Nijmegen), Andreas Recknagel (King's), Karl-Henning Rehren (Göttingen), Richard Szabo (Heriot-Watt), Jean-Louis Tu (Metz), Gerard Watts (King's)

17-21 May 2010

Nigel Higson Lectures

The Baum-Connes Conjecture and Group Representations. This includes a Spitalfields Day on 17 May with speakers [Terry Gannon \(Alberta\)](#) and [Nigel Higson](#).

Speaker: Nigel Higson (Penn State)

15 April 2010

COW Seminar

Speakers: Katrin Wendland (Augsburg) and Sven Meinhardt (Oxford)

26 February 2010

WIMCS Mathematical Physics Colloquium

Swansea University

Organized by David Evans (Cardiff)

Speakers: Marcos Marino (Geneva) and Richard Thomas (Imperial)

15 February - 5 March 2010

Period on Planar Algebras and Physics

Speakers: Julien Bichon (Clermont), Stephen Bigelow (UCSB), Richard Burstein (Vanderbilt), Ben Davison (Oxford), Jürgen Fuchs (Karlstad), Shamindra Ghosh (KU Leuven), Pinhas Grossman (Cardiff), Ved Gupta (Leuven), Amihay Hanany (Imperial), Yang-Hui He (Oxford), Pawel Kasprzak (Copenhagen), Alastair King (Bath), Mathew Pugh (Cardiff), Alex Quintero-Velez (Glasgow), Sven Raum (Leuven), Peter West (King's College, London)

2009

28 September - 2 October 2009

EU-NCG 2nd Annual Meeting and Mid-Term Review

Mathematics Institute, Copenhagen University

Organized by E. Christensen (Copenhagen), S. Eilers (Copenhagen), D. E. Evans (Cardiff), R Nest (Copenhagen)

22 January 2009

Operator Algebras Seminar

Speakers: Simon Wassermann (Glasgow), Wilhelm Winter (Nottingham), Rolf Gohm (Aberystwyth).

13 and 14 January 2009

WIMCS Mathematical Physics Lectures

Speaker: Professor Tim Porter (Bangor, Wales). Title: Categorification and bundles

2008

16 – 20 June 2008

EU-NCG 1st Annual Meeting

School of Theoretical Physics, Dublin Institute for Advanced Studies (DIAS)

Scientific Advisory Committee: R. Dijkgraaf (Amsterdam), D.E. Evans (Cardiff), A. Jaffe (Harvard), R. Nest (Copenhagen), W. Nahm (DIAS Dublin), D. O'Connor, Dublin.
