

# *Spectral Theory, Quantum Chaos and Random Matrices*

*Cardiff, June 29<sup>th</sup> – July 1<sup>st</sup>, 2009*

*Location:* *Cardiff school of mathematics*

*Sponsored by the Cardiff School of Mathematics,  
Wales Institute of Mathematical and Computational Sciences*

*Organizing committee:*

*Michael Levitin* (Cardiff University, Wales)

*Uzy Smilansky* (WIS, Israel; Cardiff University, Wales)

*This meeting aims at bringing together young researchers, working in mathematics, physics and computational sciences. The meeting will consist of short talks given only by the PhD students and young postdocs. Senior scientists are welcome to join the workshop, as audience and a source of inspiration.*

*In addition to the lectures, the meeting will offer various opportunities for the participants to get together in an informal atmosphere, to encourage free discussions and foster further collaboration.*

*There will be no registration fee to the workshop, and there might be a limited number of accommodation and traveling fellowships.*

*Applications and abstracts should be submitted by May 15<sup>th</sup>, 2009 to:*  
*[yehonatan.elon@weizmann.ac.il](mailto:yehonatan.elon@weizmann.ac.il)*

*Funding requests should be accompanied by the applicant's CV.*
