

## WALES MATHEMATICS COLLOQUIUM 2014

19<sup>th</sup> -21<sup>st</sup> May at Gregynog Hall, Tregynon, nr  
Newtown, Powys

The themes this year are Codes, Networks and Mathematical  
Biology.

The guest speakers will include:

Professor Simon Blackburn, Dept. of Mathematics, Royal Holloway,  
University of London

Dr Christina Cobbold, School of Mathematics and Statistics,  
University of Glasgow

If you would like to give a research talk (it does not have to be  
on the general theme) please contact a local organiser (Prof  
Marco Marletta, Cardiff, Prof Simon Cox, Aberystwyth, Prof  
Derek Smith and Dr Francis Hunt, South Wales, Dr Kristian  
Evans, Swansea) or email [francis.hunt@southwales.ac.uk](mailto:francis.hunt@southwales.ac.uk)

To attend please complete the form at [www.wimcs.ac.uk/gregynog.html](http://www.wimcs.ac.uk/gregynog.html) and  
return to [administrator@wimcs.ac.uk](mailto:administrator@wimcs.ac.uk)
